## **WOMEN ORGANIZE DEFENSE LEAGUE**

Vast Movement Seeks to Protect U. S. from Fate Which Overtook Belgium.

## PAGEANTS TO AID CAUSE

First of Series of Patriotic Spectacles May Be Heid in National

Capital.

A vast women's movement to urge upon Congress the recessity of providing avicanate means of defense for America's homes and shores from the fate which overtook Belgium and Poland, is planned by the women's section of the Navy League of the United States for the com-ing summer and fail. All of the women's patriotic organizations have been communicated with and requested to co-operate, and many enthusiastic pledses aid have been received. Cards been printed bearing a piedge to talk, think and work patrictism. Americanism and adequate defense. Before Congress roussembles the women's section hopes to have at least 100,000 of them signed

### women in all parts of the country Pagean's to Be Held.

most remarkable element of the work planned by the women's section is the organization of a series of patrioticnational latense pagenits to be held in the full Promotive the first of these will be held in Washington, to be followed by others in all portions of the country Prize competitions for acceptable senarios Prine competitions for acceptable statutes for national defense pageants will be held, and a committee consisting of David Pelasco, Col. George Harvey, Mrs. William Camming Story, president general, D. A R ; Julia Marlowe, and Mrs. Daisy McLaurin Stevens, president general of D. C. have been requested t act as judges of the manuscripts re-

Among the founders of the women's section are Mrs George Dewey, Mrs. Medill McCormick, Mrs. Finitey J. Shepherd, Mrs. George Lauder Carnegie, Mrr. Piloebe A. Hearst, Mrs. Ralph Ecaver Strassburger, Mrs. Moncure Robinson, Miss Christine Biddle, Mrs. James II. Aldrick, Mrs. Charles H. Baldwin inson, Miss Christine Biddle, Mrs. James H. found in revolt against a government give such a prolific return in happiness based upon the theory of the divine and satisfaction as that of being brave right. That theory is not yet abandoned and cheerful under all circumstances. I in Central Europe where the alliance of the resolution to cultivate cheerfulness the two Emperors barks back to the is strongly made at the very outset, it Holy Alliance of their predecessors." will not be difficult to form the cheerful The Monroe doctrine, Mr. Belmont says, habit, and it will be the best protection is one of the livest and most vital issues against suffering and disappointment. A prancing horse and at the gaping cavernous mouth in a huge baby's face, under painful. She looked longingly at the left its mouth. Helen, standing crane-fashion, refieving first one aching foot then the fifty cents an hour.

As they strolled on, the boards grew hotter and Helen's feet more painful. She looked longingly at the easy-rolling wicker chairs, which from the many signs she knew were fifty cents an hour.

As they strolled on, the boards grew hotter and Helen's feet more in a holding them under the curling iron, the managed to fluff a few front strands. The rest of her hair was hopelessly moist and clingy—she would have to wear a hat.

A heavy knock, and the electrician fifty cents an hour.

A heavy knock, and the electrician fifty cents an hour.

A heavy knock, and the electrician entered. In hurried excitement, Helen more our national interests to our boundaries a violation of the doctrine. The mearer fifty cents and especially our political system would be because, at the last the more our national interests to our boundaries a violation of the doctrine. The mearer fifty cents an hour.

A heavy knock, and the electrician entered. In hurried excitement, Helen and especially our political system would be because, at the last moment, the more our national interests the more vital to the principal account of illies or a political system would be because, at the last moment, the more our national interests before the American people, an issue of It is not easy to be bright and cour which one has worked and waited so long does not materialize; when your plans for going to college-plans which it has taken years of toil and sacrifice to carry to the point of success—are sud-denly overturned by some unforeseen oc-currences—these, or any of the thousand

and one disappointments, great and small, which come to the most sheltered lives, to the greatest of fortune's favorites, are trials to one's soul. But what of that? Are we to sit down and weep and wail and bemoan our hard luck because things go wrong? That is the easiest things to do, to be sure. The ignoble thing usually seems easier to do than the noble thing. But what of the results? If you rise superior to your disappointment, whatever it may be, you are adding 100 per cent to your power to conquer future difficulties. conquer future difficulties.

When you are confronted with difficulties that seem insurmountable, when

things go wrong with you, when every-thing looks black and it does not seem as though you could take another step. just give yourself a little heart-to-heart talk. Say to yourself: "I shall not give up to despair. I am bigger than this mortgage which threatens foreclosure. bigger than the debt which is troublin me. I am not going to be squeezed or me. I am not going to be squeezed out of existence by worries or anxieties, by troubles or difficulties; mortgages or debts shall not rob me of my comfort when I am doing my level best. I will allow nothing to disturb my equanimity." If you do not run away from difficulties, but meet them boldly, face them, defy it them, you will find that many of them will fiee before such a determination. The brave soul is bigger than any difficulty, any obstacle that can confront him. (Copyright, 1955.)

Burton Plans Speaking Tour.

A trip through the West is being planned by former Senator Theodore E. Burton, of Ohio. Mr. Burton was in Walter Saturday when the Saturday when ton, of Ohio. Mr. Burton was in Washing ton when the alarm sounded. Rushing into the church, he came upon Kowalski, who was kneeling as if in prayer. An investigation by Miller brought to light a limny and a number of other burglar tools. He summened a patrolman and Kowalski was arrested.
